THE PRESIDENT'S PEN

Deanna Renillard

I cannot believe that we are approaching the end of May and that my time as President is coming to an end. What an incredible two years we have had! I am truly grateful for all of you, and walk away with countless memories of our events and time together.

People often ask me how I can continue to do this military life after so many years, and my answer is always the spouses!

The spouses who agree to be my emergency contact at school even though we just met.

The spouses who share air mattresses and some toys when you are PCSing.

The spouses who bring dinner and Motrin when your soldier is TDY and the whole house is sick.

The spouses who recommend their babysitters, nail salons, and hairstylists.

The spouses who are my village, and my kids' village.

The spouses who put their time into the PTO, coaching sports, taxiing kids, ministering at church, and volunteering.

The spouses who work to make life just a little bit better for those around them.

I'm convinced that if we had the time, military spouses could solve all the world's problems. But, we don't have enough time, so we do what we can with the time we have, and we often go above and beyond.

Look at what our group of military spouses has accomplished this year:

29 scholarships and 25 community grants awarded.

Over 160 sub-club events and activities.

Countless small moments of support.

I appreciate all of you, and I hope you are able to take a moment, look around, and see what you have brought to this community and appreciate what we have built.

Cheers, Deanna
