SPOUSES AND
COMMUNITY CLUB

THE PRESIDENT'S PEN

Steve Schnutt

We are Celebrating!!! Why? Because we continue to move forward no matter what obstacles may cross our paths. After last weeks "Make It, Bake It, Fake It, Take It" Mixer, I felt that we were back to where we always wanted to be. Masks were optional. The room was full. We were doing what our club does best, socializing in a fun way while raising money for our scholarship and grant programs. We are celebrating because we raised \$1500. Thank you to everyone who donated an item, and to those who bid on those items.

We are celebrating because the applications are in and we have more than 20 students and more than 30 organizations that submitted for our scholarships and community grants. While we won't be able to give everyone as much as they want or need, earlier this month the board voted to distribute \$35,000 to these programs. I know that the money will go a long way in helping students further their educations, and aiding our local non-profits in their missions to serve their communities.

We are celebrating because our eyes are on the future. Great members of our club have put applications in to serve on the 2022-23 Executive Committee. It's not too late to submit your application. We will be voting on this at our April Mixer, "Demise at the Derby." This is going to be another great event, and it's at night. Get a sitter, bring your spouse, and wear your derby best, all while trying to figure out if President Pink or some other suspect is behind the "demise." Applications for the 2022-23 Governor's Board will be available that evening. You can be part of the future. Finally, we are celebrating because we know that we can do it all. We can continue to find innovative ways to support the Fort Knox Spouses and our local community. We can reach out to new businesses in our area, and find that they are willing to support us in our missions. We can create ways to serve others, not just with money, but with our time and talents. All of these things are reasons to celebrate, and they are what successfully got us through the pandemic (knock on wood.) As someone who has been here through the whole thing, I want to say how proud I am to have watched and served as we inspired each other to **BE THE CHANGE.**

Get To
Know Me

Hello Fort Knox Spouses and Community Club! I'm Lisa, an Army wife of 17 years and stay at home mom of four. Between all the laundry, cooking, cleaning and driving, I enjoy running, hiking, traveling, skiing and hanging out with my friends and neighbors. I'm a personal running coach on the side and I had the privilege of coaching the Fort Knox Middle High School cross country team this fall. Go Eagles!! I also "run" the Running Sub-Club (Mondays at 8:45am at Starbucks!) and, as the Spring Fundraiser Coordinator, I'm planning the Derby Dash 5K coming up April 30th. Mark your calendars and sign up at www.fortknoxscc.com! Hope to see you all there.
